WHEN DO I START APPLYING FOR COURSES?

From 2nd August 2021 Year 12 students are able to create their VTAC accounts. Remember VTAC is the organisation that handles all University applications for Victoria – you do not apply directly to any of the Universities. VTAC also handles some TAFE and Private Provider applications. All Schools support their students in creating their VTAC account and applying for Scholarships and the Special Entry Access Scheme (SEAS).

For further information visit: www.vtac.edu.au

ARE YOU PLANNING ON APPLYING FOR A TEACHING/ EDUCATION COURSE IN 2022?

If you are planning on studying or applying for a Teaching/Education course at a Victorian university you will need to sit an **online** “situational judgement” assessment/test as part of the application process.

For further information please visit:

Some dates have already been set on the Casper Website for 2022 – see the website for further details. The Casper Test is conducted on-line. To sit the Casper Test, you will need to have access to a computer with a camera and a microphone. <https://takecasper.com/dates-times/>
