ADMISSION TESTS

APTITUDE FOR TEACHING ASSESSMENT

Here at La Trobe, we're always looking for new ways to make it easier for students to enter the career they want, without barriers such as cost, location or time. That's why we've developed the Aptitude for Teaching Assessment (AFTA). Approved by the Victorian Institute of Teaching, it's a non-cognitive scenario-based aptitude test that you can use as an alternative to the CASPer test. Please note: It can only be used for entry into initial teaching education programs at La Trobe.

Best of all, it's available online, on-demand and completely free.
