EXERCISE AND SPORT SCIENCE

Monday 27th July 6:00pm – 7:00pm

Our exercise and sport science program explores how to improve the wellbeing and performance of individuals, athletes and teams through training, coaching, research and more. This is your chance to discover where a career in exercise and sport science could take you and how you can help shape the future of the sport industry.

NUTRITION

Tuesday 28th July 6:00pm – 7:00pm

Deakin's nutrition program explores the vital role of food and nutrition in human health and disease prevention. Get a taste of what to expect from the **Bachelor of Nutrition Science** and discover what a career in nutrition could look like in the food industry, public health nutrition, media, marketing and beyond.

PSYCHOLOGY

Wednesday 29th July 6:00pm – 7:00pm

Deakin University's psychology courses explore the biological, developmental, social, and cognitive factors that affect the way humans think, feel, and behave. Studying psychology puts you on the path to becoming a registered psychologist in a range of fields, including clinical, forensic, organisational, educational, health and more.

HEALTH SCIENCE

Thursday 30th July 6:00pm – 7:00pm

Discover health sciences at Deakin and focus on tackling the biggest issues in the largest and fastest growing employment industry in Australia. You can tailor your degree to align with your passions by choosing up to three health majors from the 12 options available. Specialise in areas such as health promotion, family, society and health, nutrition, or disability and inclusion.

LONGERENONG OPEN DAY

SUNDAY 6th SEPTEMBER

www.longy.com.au/open-day-registration

Open Day is a great opportunity for you to discover the exciting careers that come from studying at Longerenong College.

Due to COVID-19 this year's Open Day is designed only for students looking at studying at Longy in 2021. This year you have the choice to attend our Open Day in person or sit in the comfort of your loungeroom as we go virtual. Find out everything you need to know about the many and varied career opportunities available once you study at Longerenong College.

HARVEST CASUALS

Looking for casual work this harvest?

**GAMES DESIGN AND DEVELOPMENT
 VIRTUAL OPEN DAY**

THURSDAY 6TH AUGUST 10:00AM – 12:00PM

If you are interested in web development or 3D game development, join our session to speak to teachers about your pathway to a creative career and let us give you a taste of these ever-evolving industries, even if you have had no previous experience.

<https://holmesglen.edu.au/Students/Open-Days/Generic-Course-Navigation/Computing-and-IT/>

www.monash.edu/inside-monash

**Webinar: Advanced Science Degrees
 Tuesday 28th July 6:30 – 7:30pm**

Learn about our premier degrees in research, global challenges, and data science. Course directors and current students will be available to give you the inside information on our Bachelor of Science Advanced - Research (Honours); Bachelor of Science Advanced - Global Challenges (Honours); and the Bachelor of Applied Data Science Advanced (Honours).

**Webinar: Occupational Therapy,
 Physiotherapy and Paramedicine
 Thursday 30th July 6:00 – 7:30pm**

Are you looking for a hands-on health career? Whether you see yourself saving lives in an emergency, playing a key role in the recovery, or helping someone do what they love, with an allied health degree you're making a difference. Tune in and discover what it's like to study occupational therapy, physiotherapy, and paramedicine at Monash.

**LATROBE UNIVERSITY – FUTURE STUDENTS
 YEAR 12 PARENTS SESSION**

VTAC applications are opening soon which means your child will be turning to you for advice.

In this webinar we'll demystify the university application process and explain options like SEAS, scholarships, and pathways. You'll learn about the difference between terminology, for example the minimum ATAR and minimum selection rank. Or how change of preference works and whether there are alternative options to their dream course.

WHEN – Tuesday 28th July 5:30pm - 6:30pm

To Register:

www.latrobe.edu.au/events/all/information-session-for-parents

Discover What's Next: Education and Social Sciences

Tuesday 28th July 6:00 pm - 7:00 pm

Gain the practical skills to shape young minds through a teaching qualification or join a uniquely human field and discover fulfilling career options in politics and policy, languages, social and community work, and more. This is the perfect session if you're in secondary school and are considering studying Education & Social Sciences courses at RMIT.

Discover What's Next: Property, Building and Construction

Thursday 30th July 6:00 pm - 7:00 pm

Learn a trade, discover project and construction management, or delve into property and valuation when you study building.

This is the perfect session if you're in secondary school and are considering studying Property, Building & Construction courses at RMIT.

Webinar: Bachelor of Food and Nutritional Science

Thursday 30th July 5:00pm – 5:30pm

Food and nutritional scientists are in high demand in the food industry to manage operations, develop new and better products and processes. There is also a focus on the importance of nutrition to human health, and the sociological and cultural issues relating to food. If you enjoy science and are intrigued by the scientific basis of food production and nutrition, this is the ideal study area for you.

Webinar: Study Physiotherapy or Occupational Therapy

Monday 3rd August 12:30pm – 1:15pm

Hear from academics and students about our new programs in occupational therapy and physiotherapy offered at our Gippsland campus, and discover a vast range of careers available.

ONLINE INFORMATION SESSIONS

www.melbournepolytechnic.edu.au/information-sessions

Tuesday 28th July @ 4:00pm

Music Industry

Tuesday 28th July @ 4:00pm

Drama and Theatre Arts

ACU | Year 12 Revision Webinars

24 August 2020 - 9 September 2020

Worried about your Year 12 exams? You're not alone. We know this can be a stressful time, which is why we've teamed up with InspirED to help you do your very best and get you ready for what's to come.

Join us for a series of free online webinars run by experienced Year 12 exam markers and assessors. They'll guide you through how to respond to possible exam questions, help you get your head around the class content to deepen your understanding, and offer plenty of tips and strategies along the way.

You'll also have an opportunity to get your questions answered during a live 30-minute Q&A.

Find out more:

www.acu.edu.au/about-acu/events/year-12-revision-webinars/vic

Upcoming Information Sessions

Wednesday July 29 @ 5pm – Video Webinar
Sunday August 2 @ 11:30am – Student Q&A,
 Digital Open Day

Due to the Covid-19 pandemic, we have cancelled our planned Open Days at Ikon Park and replaced them with Online Information Sessions. These presentations will go for roughly 45 minutes and will provide attendees with detailed information on Carlton College of Sport programs including course options, entry requirements, outcomes, facilities, and extra-curricular activities.

For further information visit:
