And most importantly, how do I apply? Living at College is a sure way to get the most out of your university experience. Living at College means having fun, making memories, and trying a wide range of activities, while being supported academically to achieve your best. Clubs, societies, participating in the College play or musical, trying any sport imaginable (Ultimate Frisbee, anyone?), the list goes on. Of course, the real value of College lies in the friends you'll make, and the network you'll build. Come and meet us on Saturday 12 September to see how you can imagine yourself living at a Residential College in 2021.
