[www.defencejobs.gov.au/events/events-detail/6mrdfp](https://www.defencejobs.gov.au/events/events-detail/6mrdfp)

## University of Melbourne | Engineering Careers of the 21st Century

**Thursday 29<sup>th</sup> October 2020, 8:30 - 9:15 pm**

What exactly is engineering, and what does a career in this field look like?

Join to hear about the programs available at the University of Melbourne, the types of careers and industries they lead to, and learn from some of our most successful alumni.

**Find out more:**

<https://study.unimelb.edu.au/connect-with-us/events-for-future-students/all-events-listing/seminar-engineering-careers-of-the-21st-century>

## Creative Careers

**Thursday 22<sup>nd</sup> October 4:30 pm - 5:15 pm**

If you're a creative teen thinking about future study options or a career in the arts, or wondering if your creative talents are still relevant, this talk's for you. Our panelists will discuss the value and flexibility of creative skills and critical thinking and they'll talk frankly about the risks and difficulties of careers in the arts, too.

What do creative careers look like today? How do artists and arts workers juggle their creative pursuits with their need to make a living? Is it possible the economic and social upheavals in the post-Covid world will change the way we think about the creative industries?

Join us for a practical talk about dreams, back-up plans and creative futures.

## Virtual BiG Day In

**Wednesday 21<sup>st</sup> & Wednesday 28<sup>th</sup> October  
11:00 am - 12:00 pm**

The BiG Day In events are aimed at senior secondary school and university students interested in careers in ICT and technology. BiG Day In helps students obtain more information about ICT and technology careers, and hopefully helps them make a better informed decision about their future.

**Find out more:**

[www.thebigdayin.com.au/events](https://www.thebigdayin.com.au/events)

## **ATT: YEAR 11 STUDENTS**

### **La Trobe | Achieve Plus Webinar**

**Monday 26<sup>th</sup> October 4:00 pm - 5:00 pm**

Looking for a challenge for Year 12 next year? Study a pair of university subjects in Year 12 with Achieve Plus at La Trobe.

Achieve Plus provides an academic challenge whilst you engage in university-style teaching and learning. Completing an extension studies program can improve your study skills overall, and many students notice an improvement in their VCE studies.

Study a pair of subjects in either a Health, Law, Business or Social Science stream and gain credit for these subjects towards your La Trobe degree.

**Find out more:** [www.latrobe.edu.au/events/all/achieve-plus-get-the-university-experience-in-year-12](http://www.latrobe.edu.au/events/all/achieve-plus-get-the-university-experience-in-year-12)

### **University of Melbourne | Hansen Scholarship Program Information Session**

**Wednesday 21<sup>st</sup> October 5:00 pm - 6:00 pm**

Current Year 11 students and their families are invited to an online information session to learn more about the Hansen Scholarship Program benefits and how to apply with a competitive application.

The application process will open in February 2021 for Year 12 students applying for full-time study in 2022 at Melbourne.

The Hansen Scholarship Program is our most generous scholarship, bringing together an unrivalled package of benefits for high-achieving students who may otherwise struggle to access higher education.

20 exceptional students will be awarded accommodation, an allowance, and financial and personal support throughout their undergraduate degree at Melbourne.

You could look forward to:

- Joining a supportive community of high achievers from diverse backgrounds
- Making powerful new connections through mentoring with industry leaders
- Sponsorship and support from the program patron Ms Jane Hansen AO
- Next-steps funding of up to \$20,000 after you complete your degree
- The time and resources to develop personally and the guidance to make informed study and career choices.

Full details on eligibility and benefits for the Hansen Scholarship Program are available on our scholarships website.

**Find out more:**

<https://study.unimelb.edu.au/connect-with-us/events-for-future-students/all-events-listing/hansen-scholarship-program-information-session>

## **University of Melbourne Telstra Technology & Innovation Scholarship**

**Value: Up to \$100,000 AUD**

**Open/Closing Dates: September 16, 2020 – November 8, 2020**

Keen to support future technologists and innovators, Telstra is offering two scholarships to high-achieving commencing undergraduate students who are female or of Indigenous descent. The scholarship winners will be supported through a study pathway from undergraduate Bachelor degree to completion of their Engineering or IT masters.

To be eligible for this scholarship, you need to:

- be either a female student OR a student of Indigenous Australian descent
- be an Australian citizen or permanent resident, with preference given to students from a rural or regional area of Australia
- be currently enrolled in Australian Year 12 or the final year of the International Baccalaureate in Australia
- apply through VTAC for a 2021 University of Melbourne undergraduate course with an engineering or IT major or breadth sequence that will lead to either:
  - the Master of Engineering
  - the Master of Information Systems, or
  - the Master of Information Technology
- submit an online application addressing your career aspirations, evidence of community leadership and involvement in extracurricular activities.

For further information visit:

<https://scholarships.unimelb.edu.au/awards/telstra-technology-and-innovation-scholarships>

## **Deakin Alliance Catering Scholarship**

**Value: Up to \$7,500 AUD per year**

**Open/Closing Dates: August 31, 2020 – January 25, 2021**

The Alliance Catering Scholarship is available to help make a university education a real possibility for a student from a financially disadvantaged background. To be eligible you must:

- be an Australian citizen or holder of an Australian permanent humanitarian visa
- be a commencing student enrolled full time in Trimester 1 2021 in an undergraduate bachelor's degree at Deakin University
- be able to demonstrate financial hardship.

**To find out more visit:**
