## YEAR 11 VCE STUDENTS VCE EXTENSION STUDY OPPORTUNITIES 2021

### Deakin Accelerate

Deakin Accelerate is a distinctive VCE higher education program that allows students to study two first-year university subjects during Year 12. Studying one subject per trimester, this selective program gives students a head-start into university studies and also provides a potential boost to their all-important ATAR score. Besides the challenge of taking on a university subject, this subject will also count as part of the VCE and contribute towards the ATAR as the fifth or sixth subject. There are no tuition fees for Deakin Accelerate.

**Find out more:**

[www.deakin.edu.au/courses/entry-pathways/accelerate](http://www.deakin.edu.au/courses/entry-pathways/accelerate)

### Federation University – Advance to University

Advance to University is an opportunity for Year 12 students to study first year university units online as part of their VCE. Successful completion of these units may contribute towards the ATAR, and students get credit towards their university degree. There are no fees for Advance to University.

**Find out more:**

<https://federation.edu.au/future-students/study-at-federation/advance-to-university>

### Achieve Plus La Trobe University

Achieve Plus is an opportunity for high achieving Year 11 VCE students to complete a pair of first year university subjects in their Year 12 and have them recognised as part of their VCE. Students enrolled in Achieve Plus choose one subject per semester. Subjects are delivered online. There are no fees associated with the Achieve Plus Program.

### RMIT University – VCE Extension

RMIT's VCE Extension allows Year 12 students to undertake university subjects while completing their VCE.

These courses are VCAA-accredited towards VCE results and students may be eligible for credit in a related RMIT program. Subjects can be studied online. VCE Extension subjects provide a boost to the ATAR. RMIT charges no fees for RMIT Extension courses.

### University of Melbourne – Extension Program

The Extension Program is an opportunity for high achieving Year 12 students to study a university subject whilst at school which counts towards their ATAR. The University of Melbourne does not charge any fees for participation in the Extension Program. However, some School Centres where an Extension subject is taught may charge a reasonable fee to cover teaching and administrative costs.

## Diploma of Teacher Education Preparation

The Diploma of Teacher Education Preparation may be the right study choice for students with the motivation, capability, and personal attributes to be a great teacher.

The Diploma of Teacher Education Preparation (Dip TEP) is an accredited AQF5 level qualification aimed at students who do not initially meet the minimum ATAR for teaching. The course has been developed as part of the Victorian Government's Excellence in Teacher Education Reforms to ensure that disadvantage and diverse educational experiences are not a barrier to capable and committed people who want to pursue a career in teaching.

Successful completion of the Dip TEP will ensure that students graduate with the prerequisite knowledge and skills to undertake an undergraduate teacher education course. The Dip TEP supports students to meet the literacy and numeracy standards they will need in order to graduate with a teaching qualification and supports them to meet the demands of study at a higher education level.

The course also introduces them to contemporary issues in education and to teaching as a profession, including practical school-based placement.

**The course is offered by various institutions including ACU, RMIT, Swinburne, and VU Polytechnic**
