

## VIRTUAL CAREERS EXPO

The Virtual Careers Expo is an innovative and interactive collaboration between Australia's major tertiary education providers, designed to showcase the wide range of options available to students as they prepare for life after school.

- Explore the Virtual Careers Expo Hall
- Visit more than 50 stands hosted by exhibitors from across the country
- Talk to staff and student ambassadors through text or video chat
- Head to the Webcast Hub for live and on-demand video presentations
- Meet other students in the virtual social lounge
- Explore the Virtual campus
- Attend from the comfort of your own home (or school)
- Learn more about how COVID-19 will affect your school year

**Where** – Online

**When** – Thursday 7<sup>th</sup> May 12pm to 8pm (AEST)

Friday 8<sup>th</sup> May 9am to 8pm (AEST)

## MEET Melbourne Series

Join the University of Melbourne online for the **Meet Melbourne 2020** series this May. Held over 4 weeks, they'll be streaming a series of forums about the course and career areas that interest you most. Chat to their faculty and academic staff one-on-one and explore their course options, career and graduate pathways and student life with these special, deep-dive conversations. You never know what you might discover!

After registering you'll have access to all their **Meet Melbourne 2020** webinar recordings after the events.

**Week 1** (starting Tuesday 5<sup>th</sup> May)– Agriculture and Food Sciences; Health; and Law

**Week 2** – Architecture; Building, Planning & Design; Science and Engineering

**Week 3** – Visual and Performing Arts; Music; and Education

**Week 4** – Veterinary Medicine; Arts, Humanities and Social Sciences; Commerce; IT and Computer Science

**Visit:** <https://study.unimelb.edu.au/connect-with-us/meet-melbourne> to register or for further information

## Course Information Webinar – May 2020

**Bachelor of Criminology**  
Tuesday 28<sup>th</sup> May 5:30pm – 6:30pm

The **Bachelor of Criminology** is our three-year undergraduate degree. The perfect balance between theory and interactive learning, it's designed in conjunction with Government bodies including Victoria Police and the Australian Criminal Intelligence Commission. Join us at our course information webinar to find out more from our criminology experts as they discuss:

- course information including course structure
- The critical-thinking skills and knowledge you will develop and need to tackle criminal justice issues
- criminology careers and interactive experiences offered
- double Criminology degrees
- student success stories
- student and career-related support
- scholarships, fees and financial support available
- Pathway Courses

## EXPERIENCING SURVEYING DAY (Online) 26<sup>th</sup> May 2020

If you are interested in a career as a land surveyor, this practical one hour event hosted by RMIT University provides a fantastic opportunity for you to do practical surveying activities with the help of fully qualified Surveyors.

One hour, one workshop, and one more chance to learn about surveying and its study options!

The class is ready to stream online, so **students can participate from any location.**

This online class is held from **2pm-3pm AEST on the last Tuesday of each month**, and is ideal for students in years 10, 11 or 12 who love maths, geography, STEM subjects and the outdoors. It breaks down the ins and outs of surveying technology and study pathways.

Visit: [www.myhealthcareer.com.au](http://www.myhealthcareer.com.au)

## REMINDER Online event: Scholarships and grants at La Trobe Webinar

[www.latrobe.edu.au/events/all/scholarships-and-grants-at-la-trobe](http://www.latrobe.edu.au/events/all/scholarships-and-grants-at-la-trobe)

If someone told you, you could get up to \$5000 annually to put toward your education and living expenses, would you take it? That's what a scholarship has to offer to students just like you. La Trobe awards scholarships each year for different circumstances including academic performance, sporting achievement, location, financial circumstances, area of study and more. Learn about the types of scholarships available and how to apply.

When – **Tuesday 5<sup>th</sup> May 2020**, 6:00pm – 7:00pm

Attend an online information evening to find out everything you need to know about studying at VU! Learn about the new way to do uni in the [VU Block Model](#), our pathways, industry connections and course options.

Don't miss the chance to speak with academics and current students and hear all about the great opportunities on offer to help you reach your goals.

## REMINDER – ADF GAP YEAR Applications are Now Open

[www.defencejobs.gov.au/students-and-education/gap-year?page=1&perPage=21&query=](http://www.defencejobs.gov.au/students-and-education/gap-year?page=1&perPage=21&query=)

Are you passionate about digital technologies? Do you have a knack for problem solving?

A career with the Australian Government can give you valuable industry experience while working on projects that help everyone. From technical problem solving and analytics to digital design and development, you can find an opportunity to suit your level of skill and experience.

The [Digital Apprenticeship Program](#) is for Australian citizens who are passionate about digital technology. You don't need a degree or any prior study for the program. You just need to be interested in digital tech and solving problems. So, if you're looking for a career change or finishing year 12, this program is for you.

If you enjoy pulling apart or building PCs, setting up home networks, building apps, finding trends in data or simply problem solving and making things simple, then you should consider applying.

Apprenticeship locations vary each year, past participants have been placed in the following locations:

- Canberra
- Melbourne
- Brisbane
- Adelaide
- Perth

**Applications for the 2021 program will open 18 May 2020.**
