SWINBURNE EARLY ENTRY PROGRAM

Our Early Entry Program means you can apply to Swinburne early and ATAR-free and start shaping the next gen now. When you apply for a course in the Early Entry Program, your application is assessed using a recommendation from your school instead of your ATAR. Because we know your Year 12 results don't always tell the full story of your potential.

For further information visit:

www.swinburne.edu.au/courses/planning-your-future/early-entry-program/

RMIT EARLY OFFER PROGRAM

Are you a Year 12 student who has experience being a leader, working with different people, showcasing your creativity or making an impact in the tech world? In 2023, your hobbies, weekend projects and passions can be considered alongside your ATAR. Through RMIT's Early Offer program, your life experience outside the classroom can count towards your dream associate or bachelor's degree, allowing you to be accepted on a lower ATAR and taking some of the pressure off your final year at high school. It's part of RMIT's commitment to diversity and equitable learning, and it means you'll get your conditional uni offer in September.

For further information visit:
