Exercise and Sport Science Webinar

Monday 31st May 6:00pm – 7:00pm

Want to help shape the future of the sport industry?

Our field-leading program provides the opportunity for students to learn in world-class sporting facilities and apply exercise and sport science to improve the wellbeing and performance of individuals, athletes and teams through training, coaching and research.

Hear from our course experts and discover why Deakin's School of Exercise and Nutrition Sciences is ranked number one in Australia, and number three in the world.

Creative Arts and Design Courses Webinar

Tuesday 1st June 5:30pm – 6:30pm

Are you a keen creator and innovator?

Join our upcoming online webinar to learn about how you can build your technical skills, practical experience and creative mindset to forge a successful career in the creative industries.

Our webinar will also explore a range of disciplines including photography, dance, drama, visual arts, film and television, animation and design. Our creative arts and design experts will discuss:

- the wide range of exciting fields you could study
- course structure
- how we can help build your professional and soft skills
- work-integrated learning opportunities in the creative arts and design industries.

Don't miss the opportunity to ask questions of our course experts and learn from our course academics.

Marketing (Psychology) and Human Resource Management (Psychology) Webinar

Wednesday 2nd June 6:00pm – 7:00pm

Curious about what makes the mind tick?

Combine your interest in business and psychology with Deakin's Bachelor of Marketing (Psychology) or Bachelor of Human Resource Management (Psychology). The Bachelor of Marketing (Psychology) allows you to become an expert at uncovering the reasons behind consumer

behaviour, while the Bachelor of Human Resource Management (Psychology) explores the human mind in a business context, empowering you to see human resources from a different angle. Get the benefit of completing two specialisations in one, three-year degree.

In this course information webinar, you'll explore:

- what you'll learn in each course
- course overviews, structures and entry requirements
- Deakin's innovative and flexible online learning experience
- accreditations and industry links
- opportunities and interactive experiences offered
- career outcomes
- support services available.

Teaching Course Information Webinar

Thursday 3rd June 5:30pm – 6:30pm

Are you interested in becoming a Teacher?

Discover the rewards of making a difference in young peoples' lives by studying one of Deakin's well-recognised teaching qualifications. Join us to hear about the placement opportunities available in schools and how we support you through your educational journey.

In our online webinar, you'll learn about:

- the wide range of undergraduate teaching courses we offer
- our new Bachelor of Early Childhood Education and Bachelor of Early Childhood and Primary Education
- gaining the skills and expertise to teach in schools within the private, public, IB and independent education sectors.

Victoria Police | Information Webinar

Thursday 10th June 2021, 5:00 pm - 6:30 pm

If you are seeking a stimulating, challenging and rewarding career and have values aligned to those of Victoria Police, we encourage you to consider a career in policing. Please join us at this session to learn about the Police role, the recruitment process and training at the Academy.

- Global Opportunities
- Prerequisites and Pathways
- Clubs and societies
- Our graduates

You'll have the chance to ask questions and find out where Engineering at RMIT might take you.

AFL SportsReady | Discover how a school-based traineeship landed me my dream job

Wednesday 2nd June 2021, 11:00 am - 12:00 pm (Online)

In the spirit of National Reconciliation Week, we want to highlight the impact traineeships can have on communities and the future careers of young Aboriginal and/or Torres Strait Islander people. In this free webinar, we follow the career journey of two Aboriginal and/or Torres Strait Islander former trainees that launched their careers through a school-based traineeship. What you'll discover, is not only did the traineeship help set them up for life-long professional skills and a rewarding career, but it also brought a positive impact to their communities and their families, emphasising this is one of the most rewarding parts of the program. By attending this webinar, you will also hear from one of our Indigenous mentor's and understand the role they play in helping a young person succeed in their traineeship.

SAE - Create for a Day Workshop | Melbourne

Saturday 3rd July 2021, 10:00 am - 3:00 pm

A one-day workshop to expand your skills and get you working on inspiring creative projects in the fields of Animation, Audio & Music, Design, Film, Games, Music Production or Song writing. Are you creatively inclined and thinking about studying creative media? Get behind the scenes and explore your passion in this fun and interactive school holiday activity. Don't miss out on your chance to experience life as an SAE student, and discover what it means to be a creative professional in state-of-the-art facilities with industry experts by your side. During the workshop, attendees will learn valuable practical and collaborative skills to build a creative piece of work! They will also receive a certificate of participation to acknowledge the creative projects they have undertaken.

Due to the tertiary level of the workshop content, this event is open to anyone aged 15 years and above (Year 10 and over). Spaces for this event are extremely limited.

All workshops run at the same time, therefore only one workshop can be attended by an individual.

Cost: \$25 per person (lunch provided)

Chisholm | Pre-apprenticeships & Apprenticeships – Which Trade is Right for You? Online Session

Wednesday 9th June 2021, 5:00 pm - 6:00 pm

Considering an apprenticeship but are unsure which trade is right for you?

Whether you want to get into bricklaying, building and carpentry, electrical, automotive, engineering or plumbing, at Chisholm we have the course that will get you there. Join this online information session to get:

- an overview of pre-apprenticeships and apprenticeships in each of these trades
- identify key practical skills you'll need to succeed in each field
- learn what pathway opportunities are available to you.

Let our experienced Chisholm trade teachers answer all your questions during this live session, and let them walk you through the steps you need to follow to get that apprenticeship you're chasing.

The online event will be held via Zoom. By registering your details, you will receive a link by email before the date on how to access the session.

For further information about our trade courses, visit:

www.chisholm.edu.au/career-fields/building-trades

ACU | Experience ACU, Melbourne Campus

Tuesday 29th June 2021, 9:30 am - 3:00 pm

Join our free Experience ACU activities. Tailored to your study area of interest, these sessions will give you an insight into life as a uni student. Explore your local campus, talk to current students and experience student life.

Spend time at your local campus where you'll be able to:

- participate in hands-on workshops related to your degree of choice
- meet staff and current students
- explore your local ACU campus
- learn about industries and careers
- get helpful tips on preparing for university
- soak up the campus atmosphere.

Choose a workshop from a range of study areas, which may include nursing, midwifery, paramedicine, education, physiotherapy, psychology, sports and exercise science and lots more.

University of Tasmania Schools Recommendation Program

Year 12 students can submit their free application to the 2022 Schools Recommendation Program at the University of Tasmania from 31st May 2021. Rather than an ATAR, students are assessed based on the school's recommendation and their year 11 results.

The program is open to most of our undergraduate degrees, and early offers will be issued from July. Get your application in by 18 June to be eligible for a first round offer!

To find out more, head to:

www.utas.edu.au/study/schools-recommendation-program
