## APPRENTICESHIPS & TRAINEESHIPS

**I want to be  
an apprentice**

### The Benefits of an Australian Apprenticeship

**Australian Apprenticeships are available to anyone of working age and offer you opportunities to learn new skills and be paid in over 500 different jobs.**

An Australian Apprenticeship refers to a qualification that is completed through working on-the-job, studying off-the-job and earning a wage. The term 'Australian Apprenticeship' covers both apprenticeships and traineeships.

Apprenticeships and traineeships are completed with a hands-on learning style, which makes them a great alternative for those who don't wish to complete traditional studies. There may be some classroom-based elements, but these are linked to things you will be doing in your job.
