Use your experience to secure an early spot in your dream course at RMIT

Are you a Year 12 who has experience being a leader, working with different people, showcasing your creativity or making an impact in the tech world?

Through RMIT's Early Offer program, your life experience outside the classroom can count towards your dream associate or bachelor's degree, allowing you to be accepted on a lower ATAR and taking some of the pressure off your final year at high school.

It's part of RMIT's commitment to diversity and equitable learning, and it means you'll get your conditional uni offer in September. Early entry is only available for the following 11 courses.

- Bachelor of Business – Early Offer ATAR 65
- Bachelor of Business Professional Practice – Early Offer ATAR 75
- Bachelor of Data Science – Early Offer ATAR 65
- Bachelor of Space Science – Early Offer ATAR 70

PCA Business Cadetship Program in Melbourne

For Year 12 students who are interested in business, why wait until you finish university to launch your career? Secure your future now by applying for a cadetship under the Business Cadetships in Melbourne Program.

Business Cadets combine study at the university of their choice in Melbourne with paid work at UBS, a top-ranking global bank. UBS has been placing cadets in Sydney through the Business Cadetships Program for the last 15 years. Now Year 12 students in Victoria have the opportunity to apply for cadet placement in Melbourne.

As a cadet, you may choose from a wide range of degrees, including economics, commerce, business, computer science & technology, mathematics and the humanities. In 2021, the Business Cadetships Program offers exciting cadetship opportunities in Global Research. You will work alongside world-class professionals and be well remunerated.

By studying and working at a leading company from the start of university, cadets earn a competitive advantage over students who delay work until after university. Only current Year 12 students can apply so this is your once-in-a-lifetime chance to take advantage of an exceptional opportunity!
