## Early Entry to PSC

PHOTOGRAPHY  
STUDIES COLLEGE

Are you thinking of studying the Bachelor of Photography at Photography Studies College? They are now offering current Year 12 students the chance to receive an early offer to study in 2022. You can apply direct to PSC, book an interview, and receive a conditional offer within 48 hours. You can also apply through VTAC by placing PSC's Bachelor of Photography in your preferences, and they will contact you for an interview. If successful, you will receive a conditional offer to study with them. PSC's admission is not based on ATAR, but instead a combination of an informal interview and portfolio of works. Due to the disruption to study this year, students are welcome to present works completed in Year 11.

**Find out more about admissions to PSC here:**

## New Degrees in Logistics and Supply Chain Management

COVID has changed the way we do lots of things in our lives. One of them has been how we transport goods from place to place. With borders closed and travel restricted, it has sometimes been difficult to work out how we can get our essentials from A to B. Luckily, there are plenty of clever people out there working on solutions. Whether it's robots sorting goods in warehouses, or drones delivering things straight to our doors, there is a huge variety of careers out there in Logistics and Supply Chain Management. If you'd like a career in this area, there are plenty of ways you can get there.

### RMIT

RMIT's Bachelor of Business (Logistics and Supply Chain Management) has a strong focus on work-integrated learning and practical experience. Take advantage of internship elective options, and make connections with their industry partners, like Mainfreight, IBM, Toll, SAP, Nissan, BMW, Coca-Cola, and the Department of Defence.
