**YEAR 11 VCE STUDENTS  
VCE EXTENSION STUDY OPPORTUNITIES 2022**

**Deakin Accelerate**

Deakin Accelerate is a distinctive VCE higher education program that allows students to study two first-year university subjects during Year 12. Studying one subject per trimester, this selective program gives students a head-start into university studies and also provides a potential boost to their all-important ATAR score. Besides the challenge of taking on a university subject, this subject will also count as part of the VCE and contribute towards the ATAR as the fifth or sixth subject. There are no tuition fees for Deakin Accelerate.

**Find out more:**

[www.deakin.edu.au/courses/entry-pathways/accelerate](http://www.deakin.edu.au/courses/entry-pathways/accelerate)

**Federation University – Advance to University**

Advance to University is an opportunity for Year 12 students to study first year university units online as part of their VCE. Successful completion of these units may contribute towards the ATAR, and students get credit towards their university degree. There are no fees for Advance to University.

**Find out more:**

<https://federation.edu.au/future-students/study-at-federation/advance-to-university>

**Achieve Plus La Trobe University**

Achieve Plus is an opportunity for high achieving Year 11 VCE students to complete a pair of first year university subjects in their Year 12 and have them recognised as part of their VCE. Students enrolled in Achieve Plus choose one subject per semester. Subjects are delivered online. There are no fees associated with the Achieve Plus Program.

**RMIT University – VCE Extension**

RMIT's VCE Extension allows Year 12 students to undertake university subjects while completing their VCE. These courses are VCAA-accredited towards VCE results and students may be eligible for credit in a related RMIT program. Subjects can be studied online. VCE Extension subjects provide a boost to the ATAR. RMIT charges no fees for RMIT Extension courses.

**University of Melbourne – Extension Program**

The Extension Program is an opportunity for high achieving Year 12 students to study a university subject whilst at school which counts towards their ATAR. The University of Melbourne does not charge any fees for participation in the Extension Program. However, some School Centres where an Extension subject is taught may charge a reasonable fee to cover teaching and administrative costs.
