WHAT ARE PRE-APPRENTICESHIPS?

Pre-apprenticeships are entry level training which can provide a pathway into an industry.

Benefits of undertaking a Pre-apprenticeship

- Find out whether a particular industry is right for you, without committing to a full apprenticeship
- Undertaking a pre-apprenticeship that includes work experience will help with your chances of finding work, by giving you direct experience to put on your resume
- Develop basic on-the-job skills and some industry-specific skills
- The provider you are doing a pre-apprenticeship with may be able to help you find an employer
- Some employers, particularly in the trade industries, have a preference for people who have completed a pre-apprenticeship. They see the initiative as providing a good grounding in basic skills and workplace awareness
- You may receive credit for the study completed

For further information visit:

www.aapathways.com.au/about/pre-apprenticeships

OTHER OPPORTUNITIES

LODDON CAMPASPE

Opportunities are available for students leaving school to gain work experience through 6–8 week (e.g., 2 hours a week for 8 weeks) internship programs. This could be great to do over the Summer Holidays, or during a Gap Year.

You will:

- gain key workplace skills such as project management, teamwork, and communication
- work in a small team with a facilitator
- have contact with supportive industry mentors
- receive \$500 reimbursement for your, travel and other costs
