ACU | Experience ACU, Melbourne Campus

Tuesday 29th June 2021, 9:30 am - 3:00 pm

Join our free Experience ACU activities. Tailored to your study area of interest, these sessions will give you an insight into life as a uni student. Explore your local campus, talk to current students and experience student life.

Spend time at your local campus where you'll be able to:

- participate in hands-on workshops related to your degree of choice
- meet staff and current students
- explore your local ACU campus
- learn about industries and careers
- get helpful tips on preparing for university
- soak up the campus atmosphere.

Choose a workshop from a range of study areas, which may include nursing, midwifery, paramedicine, education, physiotherapy, psychology, sports and exercise science and lots more.

Engineering Course Information Webinar

Tuesday 11th May 6:00pm – 7:00pm

Become a design-driven, innovative and entrepreneurial engineer with the skills required to succeed in a rapidly changing, ever-evolving industry.

Register now for our course information webinar and learn more about what our engineering courses have to offer, including Deakin's innovative POBBL (Project-Oriented Design-Based Learning) approach – where our

students work on real industry projects as part of their degree and gain practical, hands-on experience.

You'll also learn about our state-of-the-art facilities, including Deakin's \$55 million engineering training precinct. Discover how you'll learn directly from industry experts who'll prepare you to graduate with the skills needed to launch a successful career.

Bachelor of Arts Course Information Webinar

Wednesday 12th May 5:30pm – 6:30pm

Want the flexibility to forge a career that you love?

With over 30 disciplines available, you can tailor your Bachelor of Arts degree to suit your ambitions. Join our webinar to learn how you'll develop highly transferable and career skills, which will ensure you're adaptable and have a valued skill set in any climate.

Our experts will discuss:

- course structure and how you can shape your studies to benefit your career aspirations
- the specialised and multidisciplinary skills you'll develop under the guidance of industry leaders
- work-integrated learning opportunities
- the benefits of pairing a Bachelor of Arts as a double degree.

Business Analytics Course Information Webinar

Monday 17th May 6:00pm – 7:00pm

Ready to thrive in the new must-have role in business?

Launch a career in the booming world of data-driven business insights with Deakin's Bachelor of Business Analytics. Gain a competitive advantage and study a business analytics course developed in partnership with IBM, Microsoft, Deloitte and others. Through hands-on experience working on industry projects, you'll develop skills in data science and statistical analysis to solve business problems – an increasingly in-demand skill both in Australia and globally.

In this course information webinar, you'll explore:

- what business analytics is
- course overview, structure and entry requirements
- how you can combine business analytics with commerce for just one additional year of study
- Deakin's innovative and flexible online learning experience
- accreditations and industry links
- opportunities and interactive experiences offered
- career outcomes
- support services available.

Discover all you need to know about studying Architecture at RMIT.

Tuesday 11th May 5:00 pm - 6:00 pm

At RMIT, architecture is focused on design. You'll explore innovative practices in an environment that promotes project-based research, critical debate and rigorous enquiry.

This is the perfect session if you're in secondary school and are considering studying an Architecture course at RMIT.

You'll hear from our staff and a current student on:

- Course options
- Industry Experience
- Our state of the art facilities
- Global Opportunities
- Prerequisites and Pre Selection Tasks
- Clubs and societies
- Our graduates

You'll have the chance to ask questions and find out where Architecture RMIT might take you.

Discover all you need to know about studying Design at RMIT.

Thursday 13th May 5:00 pm - 6:00 pm

Whether you're passionate about graphic or interior design, merchandising or animation, study at the #1 design university in Asia Pacific.

This is the perfect session if you're in secondary school and are considering studying a Design course at RMIT.

You'll hear from our staff and a current student on:

- Course options
- Industry Experience
- Our state of the art facilities
- Global Opportunities
- Prerequisites and Pre Selection Tasks
- Clubs and societies
- Our graduates

You'll have the chance to ask questions and find out where Design RMIT might take you.
