

STUDY SKILLS

The Regional Education Support Network (RESN) is a **not-for-profit** student network that offers rural and regional students **free** VCE educational support, such as tutoring, mentoring, and access to study resources. We currently provide **1,400** students in **Queensland, New South Wales and Victoria** with our full suite of academic support services.

Specifically, we answer students' questions online; hold virtual, live, tutoring sessions; provide study resources and practice questions; and deliver live seminars at schools to raise students' aspirations – **all for free!** www.resn.org.au

Our new and exciting app gamifies education and makes VCE revision fun! Compete with your friends and earn rewards while revising wherever you are. From the first day of term 2 right through to the last day of term 3 approximately 150 questions will be sent directly to your device on a weekly basis. Each question has been prepared by our team to correspond with where you should be at in the current study design for that particular subject.

OTHER OPPORTUNITIES

Marine Biology Experience

UNIVERSITY of
TASMANIA

April 22nd to April 28th, 2024

A practical learning experience on Maria Island for **year 11 and 12 students**. This predominately field-based unit consists of 5 days on picturesque Maria Island on the Tasmanian East Coast. The unit is open to 24 students and is designed to engage, challenge, excite and inspire you through a hands-on marine science program. To help with the cost of getting to Tasmania, year 11 and 12 students currently living interstate will automatically go into the running to receive one of five fully funded packages.

Applications close Monday, 26th February.
