[www.eventbrite.com.au/o/bendigo-tafe-information-sessions-3346265028](http://www.eventbrite.com.au/o/bendigo-tafe-information-sessions-3346265028)

#### Virtual Open Day – Saturday 1<sup>st</sup> August

If you're considering an exciting career in foods, tourism, hospitality, events, or hotel management, be sure to register your interest for our annual Open Day.

Open Day is your chance to speak to staff and students to find out more about studying at Angliss.

To Register visit:

[www.angliss.edu.au/events-hub/virtual-open-day-2020/](http://www.angliss.edu.au/events-hub/virtual-open-day-2020/)

[www.monash.edu/inside-monash](http://www.monash.edu/inside-monash)

### Webinar: Medicine and Biomedical Science Thursday 9<sup>th</sup> July 6:00 – 7:30pm

Could you be part of the next health breakthrough? Take the first step by studying medicine or biomedical science at Monash. We offer the only direct-entry medical program in Victoria – so join our webinar to find out everything you need to know about starting your medical degree and get updated on our 2021 admissions process. You'll also discover what it's like to study biomedical science, learning from disease experts tackling global health issues.

### Webinar: Art Design and Architecture Wednesday 15<sup>th</sup> July 6:00 – 7:00pm

Interdisciplinary learning plays an important role in preparing people for the workplaces of the future. Our interdisciplinary and studio-based Bachelor of Design course allows students to complete specialisations in communication, industrial, spatial, or collaborative design.

### Webinar: Business in an International World Wednesday 15<sup>th</sup> July 5:30 – 6:30pm

Join current International Business students and graduates as they discuss internships, study abroad and post degree experiences. How did international study improve career progression, and how can internships be used to get a foot in the door to a job, especially in the current climate?
