Webinar: Bachelor of Biotechnology Wednesday 19th August 5:00pm – 5:30pm

Our Bachelor of Biotechnology is an interdisciplinary lab-based program where students develop analytical and evaluative skills. Hear from a current student about the strong emphasis on hands-on skill development. Biotechnology is an exciting field of science with important applications in medicine, agriculture, and food production.

ACU | Year 12 Revision Webinars

24 August 2020 - 9 September 2020

Worried about your Year 12 exams? You're not alone. We know this can be a stressful time, which is why we've teamed up with InspirED to help you do your very best and get you ready for what's to come. Join us for a series of free online webinars run by experienced Year 12 exam markers and assessors. They'll guide you through how to respond to possible exam questions, help you get your head around the class content to deepen your understanding, and offer plenty of tips and strategies along the way. You'll also have an opportunity to get your questions answered during a live 30-minute Q&A.

Find out more:

www.acu.edu.au/about-acu/events/year-12-revision-webinars/vic

VTAC APPLICATION ONLINE EVENTS

VTAC Events for Year 12 students and Parents:

- **Applying for tertiary courses (and understanding the ATAR):** provides an overview of the entire application process, including finding courses, preferences, results and offers. Includes a brief discussion of SEAS and Scholarships.
- **Understanding special consideration (SEAS) and scholarships:** provides detailed information about applying for SEAS and scholarships.

For further information about the sessions and/or to register visit the VTAC website:

www.vtac.edu.au/events

Tertiary
Information
Service

The Tertiary Information Service (TIS) invites you to join Tertiary education representatives and current University/TAFE students as they discuss the Special Entry Access Scheme (SEAS) and scholarship applications. This event is best suited to Year 12 students and their parents and career practitioners and is your opportunity to ask questions as you navigate the submission of these applications.

Please join us on Wednesday the 26th of August at 4pm via Zoom. Access is available via this link:

www.tis.org.au/upcoming-events/

ONLINE INFORMATION SESSION

Thursday 20th August @ 4:30pm

Webinar: Information Technology

Wednesday 19th August 6:30 – 8:00pm

Technology is rapidly advancing society, shaping the way we live, work, and interact. Now more than ever, the world needs capable IT professionals. Learning from leading academics, a Monash IT degree equips you with in-demand skills to kickstart your career – and future-proof it too. But it's not all textbooks and lectures. We also reinforce your studies through programs that allow you to gain hands-on experience, so you're fully prepared to tackle the real world.

Defence Careers Virtual Information Session

18 August 2020, 4:00 pm - 5:00 pm

What career opportunities await you in the Australian Defence Force?

Register to attend a Virtual Information Session to find out about careers in the Navy, Army or Air Force, and work alongside like-minded, supportive, proud serving men and women.

Super STEM Careers Q&A

19 August 2020, 4:00 pm - 5:00 pm

Are you a high school student who wants to design, build, or discover new things? Do you want to solve challenges of the future? Want to know what a STEM career really looks like, and how to get there?

Join us this National Science Week on Wednesday 19 August 4-5pm (AEST) to get answers to your questions about careers in STEM!

We're hosting a free live streamed interactive Q&A where you can find out what it's like to be an astrophysicist, roboticist, and epidemiologist – and how they started on their STEM career pathways.

Find out more: www.eventbrite.com.au/e/super-stem-careers-qa-registration-113714978562

UPCOMING ONLINE INFORMATION SESSIONS

Certificate III Health Services Assistance

Tuesday 18th August 3:00pm

www.eventbrite.com.au/o/bendigo-tafe-information-sessions-3346265028

Careers with Engineering free webinar

21st August 12pm

In this webinar, we ask three engineers to go head-to-head to answer all of your burning engineering questions and bust the most common myths about what engineering careers really look like, from hiking boots to hijabs and heels.

Join Careers with STEM co-founder and journalist Heather Catchpole online as we speed test the latest edition of **Careers with STEM: Engineering** and meet some engineers working on fascinating challenges and learn about how they got involved in their careers in this interactive careers webinar.

Monday 17th August – Sunday 23rd August

<https://www.bigsciexp.com.au/>

The Biggest Science Experiment EXPO is a community science project that celebrates science and technology happening around us:

In labs, workplaces, our schools, at home

We are making science visible!

Explore the creative experiments and projects we have been doing, watch our presentations and be inspired!

Working together on The Biggest Science Experiment, we are being a science savvy community.

Deakin Scholarship for Excellence (Undergraduate)

Value: \$5,000

Open/Closing Dates: August 3rd 2020 – January 11th 2021

This scholarship is designed for students who show exceptional promise within or beyond their academic achievements. Strong academic performance or excellence in extracurricular activities, sport, the Arts, community service or leadership will hold the key to success.

To be eligible you must be:

- an Australian citizen or the holder of an Australian permanent humanitarian visa
- commencing or currently enrolled in an undergraduate bachelor or honours degree in a Commonwealth supported place (CSP)
- enrolled at Deakin University in Trimester 1 2021
- bachelor and honours students enrolled full time unless there are exceptional circumstances preventing full time study
- able to demonstrate achievement in one of the following:
 - [an ATAR of at least 85](#)
 - elite sports performance
 - community service
 - volunteer activities
 - the Arts
 - any other achievement.

Consideration will be given to students experiencing financial or personal hardship.

For further information visit:

www.deakin.edu.au/courses/fees-scholarships/scholarships/find-a-scholarship/deakin-scholarship-for-excellence

Redkite Dare to Dream Scholarship

Value: Up to \$5,000 AUD

Open/Closing Dates: July 27, 2020 – September 6, 2020

Redkite and Coles are offering the Dare to Dream Scholarship to young people affected by cancer to help them achieve their goals. A goal is anything you wish to accomplish. It can be to do with your emotional or physical well-being, to further your education or to help you get on track for your career of choice. Previous recipients have used their scholarship on ballet lessons, music equipment, laptops, and so much more.

Eligibility: Any person living in Australia aged between 13 and 18 years old. The applicant either currently has cancer or has had a diagnosis at any point in their life.

For further information visit:

<https://daretodream.redkite.org.au/>

Fed Uni Women in IT/Engineering Scholarships

Value: \$12,000

Open/Closing Dates: August 14, 2020 – January 5, 2021

These scholarships are awarded to women entering undergraduate Information Technology or Engineering (Honours) degrees with the highest ATAR score above 80.

To be eligible for a School of Engineering, IT and Physical Sciences scholarship you must be:

- An Australian citizen; or New Zealand citizen; or an Australian permanent resident
- Applying for a place in the School of Engineering, IT and Physical Sciences bachelor degree to commence study in 2021.

We respect that many people have been affected by the COVID 19 pandemic and that this might affect academic performance. In recognition of this impact, we invite all interested students, irrespective of ATAR outcome, to apply for our scholarships.

For more information or to apply visit:

<https://federation.edu.au/current-students/starting-at-federation/scholarships/scholarships>

HOW TO FIND AN APPRENTICESHIP/TRAINESHIP

I want to be
an apprentice

Firstly: make sure you have a Resume and it is up-to-date.

Secondly: start searching for Job Opportunities. Useful places to start exploring are:

Websites:

www.megt.com.au
www.cvgt.com.au
www.skillinvest.com.au
www.jobsearch.gov.au
www.seek.com.au
www.jora.com.au

Other:

Local/Regional papers
Networking – speaking with people who work in the industry
Work Experience

Thirdly: it's a great idea to consider registering your details with job agencies e.g. MEGT, CVGT, Skill Invest etc.

Lastly: Consider studying a Pre-apprenticeship at TAFE

For further information visit:

www.skills.vic.gov.au/victorianskillsgateway/Explore/Pages/apprenticeship.aspx
